

51 Paws Vet Release Form

- In the event of a medical emergency, 51 PAWS will make every effort to contact owners. If contact is not possible, 51 PAWS has my permission to procure treatment of my animals. _____ (client's initials)
- 51 PAWS is released from all liability related to the transport of pet(s) to and from any veterinary clinic or kennel, the medical treatment of the pet(s) and the related expenses. _____
- Client agrees to assume full responsibility for the payment and/or reimbursement for any and all veterinary services rendered, including but not limited to diagnosis, treatment, grooming, medical supplies, and boarding. 51 PAWS will be reimbursed for all costs within 5 days of Client's return home. Client also agrees to pay service fees for the extra time to transport pet(s) to and from clinic. Vet visit pricing minimum of \$30 for 1 hour, including travel time. 15 miles roundtrip is included in pricing. \$6 for each additional 15 minutes. _____
- 51 PAWS will administer medications as directed by client or veterinarian but cannot be held responsible for complications that occur after administration. However, if pet absolutely refuses to cooperate, client authorizes and accepts charges for transport of pet(s) to veterinarian for administration. In the event the pet continues to prevent administration of medication, client agrees to allow 51 PAWS to leave the pet with the vet and accepts all charges. _____
- It is the client's responsibility to clearly explain any medical instructions to 51 PAWS and will not hold 51 PAWS or sitter responsible for any mishaps (i.e, pet's refusal to take medication or adverse reactions). _____
- 51 PAWS will not care for any pet that has any form of an active contagious disease or illness (that can be transmitted to other animals in the care of 51 PAWS). All pets must be current on vaccinations. _____
- 51 PAWS will not sit for acutely ill pets or pets with uncontrolled/untreated medical conditions unless expressly agreed upon by 51 PAWS. _____
- In the event my pet(s) have diarrhea or vomiting, 51 PAWS should transport them to the vet after _____ occurrences. (it is strongly recommended that client keep chicken, rice, and canned pumpkin on hand for these situations) _____
